Reports reviewed, needing revisions at December 6 meeting

White Mountain Camp Road – OK

Mountain Road – OK

Fowlers Mill Road – 1840-10-17-00 needs to be removed.

Great Hill Road – move arrows on the map from the intersection with Annie Hill Road to the base of the driveway at 894 Great Hill Road.

The road laid out by Burton – Discussed how to incorporate Chris's composition into the final report. The best idea seems to be include it in the “Not a Town Road” section of the report.

New Business – Review more draft road reports

Mack Hill Road – In 1851-03-11-14 change the “old stage road” reference.

Barnstormers Road – OK

Ferncroft Road – OK

Maple Road – Add the wording provided by Paul. Paul will check state project plans to determine if the two ends have Class VI remnants.

Hollow Hill Road – OK, but what about the cross street (not really) near the bridge? It's a town maintained road. It doesn't have a name on the tax maps. The layout for it is 1825-06-18.

MacGregor Hill Road – OK. Both of the realignments are Class VI.

Old Mail Road – on 1827-09-13 change the reference to stagecoach road. On unrecorded road actions add Book A, 1909-08-07.

Osgood Road – OK

Annie Hill Road – On the east end, add reference to CCRD plan book 243/19.

Beaver Pond Road – OK

Next meeting – February 7, 2024

Adjourn – Meeting adjourned at 8:45 pm.
